

Caring Hearts for Homeless Pets and Their Owners

There is no donation form necessary to mail your blankets, jackets or other items.

The primary goal is to send human size blankets, dog size blankets, dog sweaters and jackets; all to keep them warm as the weather cools. There is no specific number of items requested. They will take as many as we provide and distribute them.

When you include Labels of Love or a simple note in with your shipment please remember the following:

- No personal information.
- Everything is appreciated, so don't limit your ideas (crocheters and knitters can whip up a scarf quite quickly, for example).
- Do include something that says this is from you and keep track of your own donations so that we can brag about how awesome our group is.
- Donations through Amazon and Walmart are certainly welcome, but not expected. Those donations are not a part of what WIL does, but if you feel that you would like to help in this way please feel free to do so.

Some of our members have included items from the dollar store such as toothbrushes and hand warmers. Again, we are primarily about the blankets but any additional items you choose to include are appreciated.

Please send your donations to:
