

## Labels of Love

By Polly Woo on Wednesday, July 2, 2014 at 11:41am

This is a personal touch that adopters/fosters love

If you would like to enclose or attach a tag, label, or note with your blanket please feel free to do so.. This blanket is from YOU to the adopter/foster, and a rescued dog starting it's new life. Some ideas are: who made it, your name, date, material's used, care instructions, and if you wish a short note to the recipients.

Please ask the adopter to send a picture of the dog with his or her blanket to Wrapped in Love on our Facebook page. Or you may ask them to send the pictures to your e-mail and you can post it. Leaving this up to you as it's your gift, no standard here!

### **This is optional!**

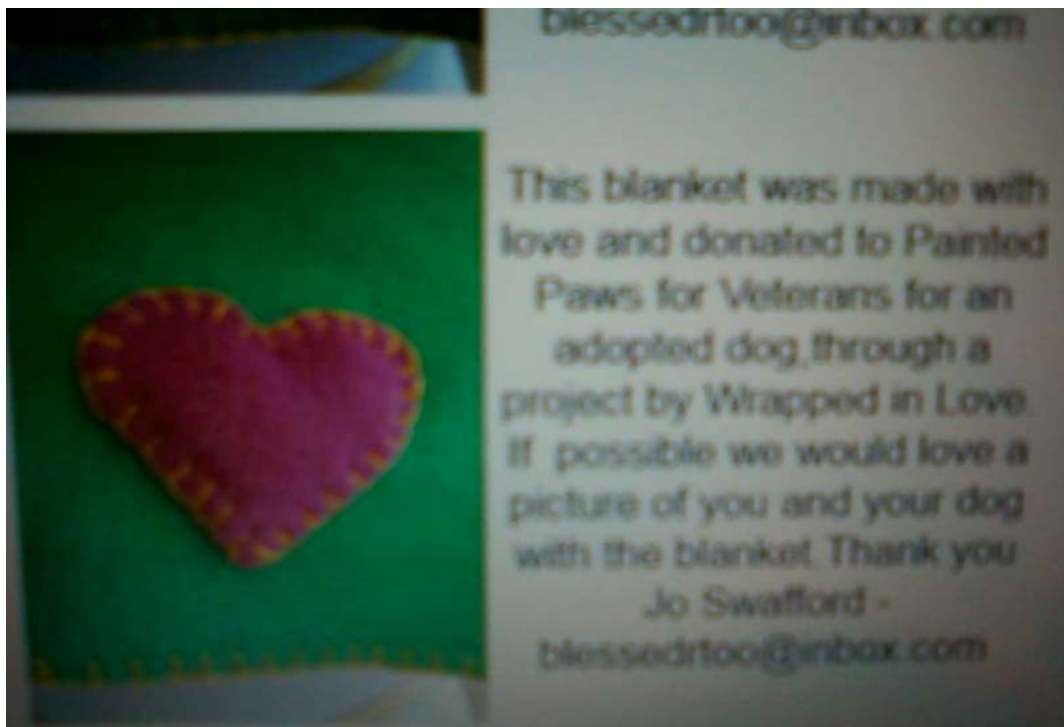

Below are a few pictures of members ideas.

If you do not wish for adopters to e-mail you direct please have them send pictures to

This blanket was made by me for you and it comes with lots of love too. It was made through a project by Wrapped in Love. If possible we would love a picture of you and your dog with the blanket. Thank you,
